MRI PATIENT INFORMATION

Your doctor has ordered an MRI exam to be performed by Shared Medical Technology. You will be contacted by our scheduling department to set up the time and date of your exam. As part of the scheduling procedure you will be asked the questions listed on this page. This information will help the radiologist who will interpret your MRI exam and also help determine whether you can safely have the MRI exam. Please be prepared to answer these questions when we contact you.

	<u>Yes</u>	<u>No</u>	<u>Don't know</u>
